DETAILED ACTION

1. Applicants' Amendment and 37 CFR 1.132 Declaration of July 28, 2003 have resulted in the allowance of claims 1,3,4 and 6-13.
2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
3. Claims 5 and 14 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 5 is indefinite because it recites "a mixture of SF₆ and N₂" without any correlation to either "a mixture of SF₆ and N₂" or "the SF₆/N₂ mixture" already recited in claim 1. Claim 14 is indefinite because it recites "A method according to claim 7", however, claim 7 is "A system" or apparatus claim. If this claim 14 is amended to refer to the "system" of claim 7, then structure must be recited for such "discharging" function to occur.
4. Claims 5 and 14 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.
5. As all of the claims have either been allowed or indicated to be allowable upon appropriate amendment, Applicants' remarks contained in their July 28, 2003 Amendment are moot and need not be answered by the Examiner.
6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert H. Spitzer whose telephone number is (703) 308-3794. The examiner can normally be reached on Monday-Thursday from 5:30 AM to 4:00 PM.
